

Product Manager

Innoware is a leader in the paper and plastic tabletop marketplace and is experiencing unprecedented growth. An exciting career opportunity is available on our marketing and product management team. Reporting to the Vice President of Marketing, this position has been created due to the accelerated growth of our paper business headquartered in Menomonee Falls, WI.

We are seeking an energetic person to take a leadership role in the product management function. The Product Manager is a key management position in the company with an opportunity for future growth.

Primary Duties

- Provide leadership to staff
- Effectively manage multiple projects
- Drive new product development process
- Establish effective working relationship with creative, graphics and sales personnel
- Develop reporting and performance metrics for existing and new businesses
- Obtain an understanding and provide insights to market trends and opportunities
- Make presentations to senior level management
- Special projects as required

Qualifications

- Undergraduate Business Degree, MBA preferred
- 5 to 7 years of progressive experience
- Solid communication and interpersonal skills
- PC and organizational skills
- Teamwork

Innoware offers an outstanding career path with an attractive compensation program including 401-K and bonus. If you interested and possess the above skills please send a resume to Innoware at:
