

Business Ready Flexible Pay

For Microsoft Dynamics®

Flexible, Predictable and Affordable Solutions from Microsoft Dynamics®

Microsoft is pleased to introduce **Business Ready Flexible Pay** for Microsoft Dynamics®. This offering reduces a customer's upfront investment through predictable and affordable annual payments which can help optimize your cash flow and improve IT budget management. Microsoft is listening to customers and actively enabling them to preserve capital resources while making strategic investments in their future. Implementing Microsoft Dynamics and taking advantage of their Business Ready Enhancement Plan helps customers increase their productivity and maximize their return on investment.

With Business Ready Flexible Pay you can:

- **Get Affordable and Predictable Payments**
Manage cash flow and control costs with predictable payments over three years, resulting in ownership of the Microsoft Dynamics software licenses.
- **Realize Rapid Return on Investment**
Align software expenses with the long-term benefits of your Microsoft Dynamics solution, resulting in rapid return on your investment up front.
- **Increase Productivity Today**
Start using a Microsoft Dynamics solution today to increase productivity. Also, enjoy access to the Business Ready Enhancement Plan which provides the tools and resources you need – product information, downloads, self-support resources, training and more – to keep your users working efficiently.
